

## Get Ready to Be Creative

Class Title: **Fusing FUNdamentals**

Instructor: Val Oswalt-De Waard

Approx. Material Cost: Included

Experience Required: None

Type of Class: Demonstration and hands-on projects. Students make a fused glass bracelet, fused glass plate and a tile or coaster.

Class Description: In this extensive three day class, students will learn the basics, including glass compatibility, kiln preparation and operation, fusing, slumping and annealing. Sample many of the current fusing products available, including frits, stringers, confetti, and Dichroic glass. Students will also learn to create exciting, unique effects with simple layout methods and tools.

Safety: Please do not wear sandals if cutting or handling glass.  
Safety glasses must be worn during class, provided if needed.

Tools & Materials Included: Use of our tools for the class.  
All materials (including fusible glass) provided.

Additional Tools & Materials: Paper/pen for notes- optional  
Students may want to bring their own glass cutting tools.

**Cancellation Policy:** **If you are unable to attend class for any reason please contact Delphi at least 10 business days prior to the start date of the class. You may cancel and receive a refund or you may transfer to another class. Please call to cancel or transfer.**
