

Get Ready to Be Creative

Class Title:	Fused Glass Mosaics
Instructor:	Wesley Wong
Approx. Material Cost:	Included
Experience Required:	None. Basic glass cutting skills required.
Type of Class:	Lecture, demonstration and hands-on
Class Description:	This class combines the techniques of mosaics with fused glass to produce a unique work of art. Students will be provided with a variety of patterns to choose from and shown several ways to cut glass into small tesserae or glass tiles. We will cover the andamento or visual flow and placement of the tesserae to complement your design. Students will create a 6x6 fused mosaic that can be used as a glass tile or incorporated into a larger project. We will also demonstrate how to expand on this technique to produce a double-sided fused glass mosaic with lots of depth.
Safety:	Please do not wear open toed shoes or sandals when cutting glass. Safety glasses must be worn, glasses are provided in class if needed
Tools & Materials Included:	All materials and use of glass cutting tools are included.
Additional Tools & Materials:	Students may want to bring your own glass cutter, breaking pliers, and wheeled mosaic nippers.
Cancellation Policy:	If you are unable to attend class for any reason please contact Delphi at least 10 business days prior to the start date of the class. You may cancel and receive a refund or you may transfer to another class. Please call to cancel or transfer.
