

Get Ready to Be Creative

Class Title:	Glass on Glass Window Mosaic
Instructor:	Roy Kapp
Approx. Material Cost:	Included, except for window
Experience Required:	No glass cutting or mosaic experience necessary.
Type of Class:	Demonstration, lecture and hands-on project
Class Description:	Create a shimmering glass mosaic window in this one-day class. Find out about the proper adhesives for doing glass on glass mosaics. Working with transparent stained glass, students will learn simple cutting techniques to construct your window. Designing for mosaics will also be covered. Bring your own glass window (no larger than 20" x 20") or purchase one at class (approx. \$25). Stained glass and adhesive will be provided. Bring your own glass cutting and mosaic nippers or borrow ours during class.
Safety:	Please do not wear sandals if cutting or handling glass. Safety glasses must be worn during class, provided if needed.
Tools & Materials Included:	Variety of stained glass Adhesive Use of our glass cutting tools and mosaic nippers (during class)
Additional Tools & Materials:	Optional – Your own glass cutting/breaking tools, mosaic nippers Students may want to bring design ideas: simple black and white line art, such as clip art or simple coloring books Students can purchase a glass window for around \$25 or bring your own. A picture frame with glass also makes a good surface (no larger than 20" x 20")
Cancellation Policy:	If you are unable to attend class for any reason please contact Delphi at least 3 business days prior to the start date of the class. You may cancel and receive a refund or you may transfer to another class. Please call to cancel or transfer.
