

Get Ready to Be Creative

Class Title:	Blown Glass Globes - 2 Ways
Instructor:	Val Oswalt-De Waard
Approx. Material Cost:	\$10
Experience Required:	No previous flameworking or glass blowing is required.
Type of Class:	Demonstration and hands-on project
Class Description:	Blow Glaskolben tubes for ornaments or use to fuse a platter or plate. Students will blow glass globes, keeping some as ornaments and using the less than perfect ones to decorate a clear plate or platter. Make your own one of a kind colorful home decoration by fusing the globes and glass stringer to a clear base piece of glass. No glass fusing experience is necessary. All materials are included except for MAP/Pro gas.
Safety:	Please do NOT wear open toed shoes or sandals. Long pants are recommended but not mandatory. Natural fiber clothes are best, cotton, linen, etc. Long hair should be tied back. Safety glasses must be worn, glasses are provided in class if needed.
Tools & Materials Included:	Each student will have the use of a complete workstation, including torch, hand tools and glass. Glaskolben pre-blown clear glass cylinders Glass frit. Safety glasses will be provided.
Additional Tools & Materials:	Students must bring 1 tank of MAP/Pro gas – (Delphi does not sell). Available at most hardware or big box home improvement stores.
Cancellation Policy:	If you are unable to attend class for any reason please contact Delphi at least 3 business days prior to the start date of the class. You may cancel and receive a refund or you may transfer to another class. Please call to cancel or transfer.
