

## Get Ready to Be Creative

Class Title:	Panel Lamps
Approx. Material Cost:	Depends on choice of pattern, glass, base or wiring
Experience Required:	Have taken a beginning stained glass class, and have made some panels in the last year or two
Type of Class:	Lecture and demonstration and hands-on project
Class Description:	Create a beautiful stained glass lamp for your home or as a gift. Panel lamps are fun and easy to create with only a little copper foil experience. Students will learn to select the proper pattern, size, glass and base/wiring. Get advice on the best glass to use for your lamp style as well as lamp base recommendations. We'll provide tips for easy assembly, wiring, and more.
Safety:	Please do not work with solder or lead if you are expecting. Open toed shoes and sandals are not recommended when cutting and handling glass. Safety glasses are recommended when cutting and grinding glass.
Tools & Materials Included:	Use of our grinders and saws
Additional Tools & Materials:	Your own glass tools and supplies Selected during class: pattern, glass, foil and matching patina, vase cap, spider, or crossbar, base or wiring
Cancellation Policy:	<b>If you are unable to attend class for any reason please contact Delphi at least 3 business days prior to the start date of the class. You may cancel and receive a refund or you may transfer to another class. Please call to cancel or transfer.</b>
