

Get Ready to Be Creative

Class Title:	Blown Glass Globes - 2 Ways
Instructor:	Val Oswalt-De Waard
Approx. Material Cost:	None
Experience Required:	No previous flameworking or glass blowing is required.
Type of Class:	Demonstration and hands-on project
Class Description:	Blow some Glaskolben tubes for ornaments and to fuse into a decorative plate. Students will blow a few glass globes, keeping some as ornaments and using the less than perfect ones to decorate a clear colorful abstract plate. Make your own one of a kind accent plate by fusing some of the blown glass globes, glass frit and glass stringer to a clear base piece of glass. No glass fusing experience is necessary. All materials are included.
Safety:	Please do NOT wear open toed shoes or sandals. Long pants are recommended but not mandatory. Natural fiber clothes are best, cotton, linen, etc. Long hair should be tied back. Safety glasses must be worn, glasses are provided in class if needed.
Tools & Materials Included:	Each student will have the use of a complete workstation, including torch, hand tools and glass. Glaskolben pre-blown clear glass cylinders Glass frit. Safety glasses will be provided.
Additional Tools & Materials:	None
Cancellation Policy:	If you are unable to attend class for any reason please contact Delphi at least 3 business days prior to the start date of the class. You may cancel and receive a refund or you may transfer to another class. Please call to cancel or transfer.
